Junior Cycle Book Scheme 2024-25

The new Junior Cycle Schoolbooks Scheme will remove the cost from families of funding schoolbooks and core classroom resources for all Junior Cycle students in post-primary schools in the Free Education Scheme for the 2024/25 school year.

Parent(s)/guardian(s) will sign the contract below to state that:

- They have received the books in good condition
- They will look after the books **and**
- Return them in good condition after the Junior Cycle, at the end of the school year or in the event that they leave the school before the completion of Junior Cycle.

It is important that your child looks after the books carefully because the books *belong to the school*. At the end of the Junior Cycle or in the event that he leaves school, your child must return the borrowed books in good condition.

If a textbook, workbook or copy is damaged or goes missing throughout the year, parent(s)/guardian(s) will be required to replace the item as soon as possible. If a pupil is found to be abusing, defacing or disposing of books, parent(s)/guardian(s) will be required to provide all books for the remainder of his/her time in this school. Please encourage your child to look after their schoolbooks by handling them carefully while they are using them.

We are asking students to please note the following:

1. Lost or damaged books must be replaced.
2. Due care and attention must be taken of each book.
3. The books supplied under the scheme will **remain the property of the school** and may be subject to inspection at any time by a member of the teaching staff.
4. Books supplied under the scheme may be new or second hand at the discretion of the school.
5. There can be no writing on the books. No highlighters are to be used. Light pencil and/or post-it notes may be used if necessary.
6. It is every student's responsibility to take care of their books and to return them after the Junior Cycle, at the end of a year if applicable or in the event that they leave the school.
